

# Panto/Film/Christmas Stories scenes - Lower Shiplake

## Welcome to the SHADDO Walk

(The panto that goes on for miles and last for two weeks.)

Please print off a map which shows (Snowman icon) the locations of the Christmas pantos/films/props. Every road that has a snowman icon has at least one.

You will be able to see the props and / or scenery from the road. You do **NOT** need to enter the property and **please do not touch any props** **(covid restrictions)**

They tend to be in clusters, so you should be able to see a few in the same general vicinity.

Please be careful of traffic and kerbs. Keep an eye on children.

If you would like to find out more about the pantomimes we have performed and other dramas/events we have put on, please go to the website: [www.shaddo.uk](http://www.shaddo.uk) It would be lovely if you could join us.

A very Merry Christmas from all at SHADDO. Let's hope 2021 is a better year for all of us.
